What Makes Reelfoot Lake So Special?

Reelfoot Lake is a unique and diverse ecosystem that provides habitat for a wide variety of fish and wildlife. The lake's shallow waters and abundant vegetation create a perfect environment for fish to thrive. In addition,

Reelfoot Lake is home to a number of cypress trees, which provide cover for fish and help to keep the water cool.

The result is a lake that is teeming with fish. Anglers can expect to catch a variety of species, including largemouth bass, smallmouth bass, crappie, bluegill, catfish, and more. The lake's record fish include a 13-pound largemouth bass, a 10-pound smallmouth bass, and a 3-pound crappie.

What to Expect When Fishing Reelfoot Lake in Hot Weather

In hot weather, Reelfoot Lake provides a haven for fish and anglers alike. The lake's shallow waters and abundant vegetation help to keep the water cool, even on the hottest days. As a result, fish are more active in hot weather, and anglers are more likely to have success.

However, there are a few things to keep in mind when fishing Reelfoot Lake in hot weather. First, the sun can be intense, so it is important to wear sunscreen and protective clothing. Second, the heat can make it difficult to stay hydrated, so it is important to drink plenty of water. Finally, the fish can be more sluggish in hot weather, so it is important to be patient and use slow-moving baits.

Tips for Fishing Reelfoot Lake in Hot Weather

Here are a few tips for fishing Reelfoot Lake in hot weather:

- Fish early in the morning or late in the evening when the sun is not as strong.
- Look for fish in shady areas, such as under cypress trees or in the shade of vegetation.

- Use slow-moving baits, such as jigs, worms, or crankbaits.
- Be patient and wait for the fish to bite.
- Stay hydrated and wear sunscreen and protective clothing.

Reelfoot Lake is a great place to fish in hot weather. The lake's shallow waters and abundant vegetation help to keep the water cool, and the fish are more active in hot weather. By following the tips in this article, you can increase your chances of success when fishing Reelfoot Lake in hot weather.
