

HCI International 2024 Late Breaking Posters: Call for Submissions

HCI International 2024 invites submissions for Late Breaking Posters. Late Breaking Posters provide an opportunity for researchers to present their latest and most cutting-edge work that has not yet been published in a peer-reviewed journal or conference proceedings. Late Breaking Posters are typically shorter and less formal than regular conference papers, and they present an excellent opportunity to receive feedback from the HCI community on your ongoing work.

HCI International 2024 – Late Breaking Posters: 21st HCI International Conference, HCII 2024, Orlando, FL, USA, July 26–31, 2024, Proceedings (Communications ... Computer and Information Science Book 1088)

Screen Reader : Supported
Enhanced typesetting : Enabled
Print length : 713 pages

Topics

Late Breaking Posters may cover any topic related to HCI, including but not limited to:

- Human-computer interaction
- User experience
- Design
- Research

Submission Guidelines

Late Breaking Posters should be submitted electronically via the HCI International 2024 submission system. Submissions should include the following:

- A title
- An abstract of no more than 250 words
- A PDF file of the poster

The poster should be no larger than A0 size (841mm x 1189mm).

Review Process

Late Breaking Posters will be reviewed by a panel of experts in the field. The review process will be double-blind, and all submissions will be judged on the basis of their originality, significance, and clarity.

Presentation

Accepted Late Breaking Posters will be presented at HCI International 2024 in a dedicated poster session. Authors are expected to attend the poster session and present their work to attendees.

Important Dates

* **Submission deadline:** March 15, 2024 * **Notification of acceptance:** April 15, 2024 * **Camera-ready deadline:** May 15, 2024 * **Conference dates:** June 24-28, 2024
