Prokhorov was born in Moscow, Russia, in 1965. He graduated from the Moscow Institute of Finance in 1989. After graduating, Prokhorov worked as a banker for several years. In 1993, he co-founded Onexim Group. Under Prokhorov's leadership, Onexim Group became one of the largest and most successful investment firms in Russia.

In 2007, Prokhorov entered politics. He ran for President of Russia in 2012, but lost to Vladimir Putin. Prokhorov is a controversial figure in Russia. He has been accused of corruption and human rights abuses. However, he is also a popular figure among many Russians.

## **Howard Schultz**

Howard Schultz is an American businessman and author. He is the former CEO and chairman of Starbucks. Schultz is credited with transforming Starbucks from a small coffee shop into a global brand. He has a net worth of over \$4 billion.

Schultz was born in Brooklyn, New York, in 1953. He graduated from Northern Michigan University in 1975. After graduating, Schultz worked as a salesman for Xerox. In 1982, he joined Starbucks as the director of marketing. In 1987, Schultz became the CEO of Starbucks.

Under Schultz's leadership, Starbucks grew from a small coffee shop into a global brand. Schultz expanded Starbucks' menu to include food and beverages. He also opened Starbucks stores in new markets around the world. Schultz stepped down as CEO of Starbucks in 2017.

## **Jack Welch**

Jack Welch is an American businessman, author, and lecturer. He is the former CEO and chairman of General Electric. Welch is widely regarded as one of the most successful CEOs in American history. He has a net worth of over \$750 million.

Welch was born in Salem, Massachusetts, in 1935. He graduated from the University of Massachusetts Amherst in 1957. After graduating, Welch joined General Electric as an engineer. In 1981, Welch became the CEO of General Electric.

Under Welch's leadership, General Electric became one of the most successful companies in the world. Welch is known for his focus on shareholder value and his Six Sigma quality control program. He also led General Electric through a period of significant growth and expansion. Welch retired from General Electric in 2001.

## **Herman Cain**

Herman Cain is an American businessman and politician. He is the former CEO of Godfather's Pizza and the former chairman of the Federal Reserve Bank of Kansas City. Cain ran for President of the United States in 2012. He has a net worth of over \$10 million.

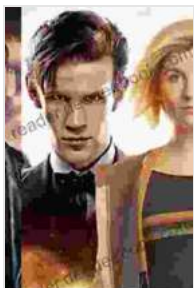

Cain was born in Memphis, Tennessee, in 1945. He graduated from Morehouse College in 1967. After graduating, Cain worked for the Pillsbury Company, the Burger King Corporation, and the Godfather's Pizza chain. In 1988, Cain became the CEO of Godfather's Pizza.

Under Cain's leadership, Godfather's Pizza became one of the largest pizza chains in the United States. Cain sold Godfather's Pizza in 1996. He

then worked as a consultant and investment banker. In 2009, Cain was appointed chairman of the Federal Reserve Bank of Kansas City.

In 2011, Cain ran for President of the United States. He was a popular candidate among conservative voters. However, his campaign was derailed by sexual harassment allegations. Cain withdrew from the race in 2012.

Mikhail Prokhorov, Howard Schultz, Jack Welch, and Herman Cain are four of the most successful business leaders of our time. They have all built successful businesses and left a lasting impact on the world of business. Their stories are an inspiration to entrepreneurs and business leaders everywhere.
